Business Card Rewards Program Rules

Issue	RB-CRW-02 (2025-11 issue)	Effective date	2025-11-03
Supersedes	None — first consolidated issue	Owner	Business Banking Product Operations (Maya Chen)
Applies to	Cash-back earning, posting, redemption, category qualification, and the published exclusion lists for the Business Bronze Rewards Card, Business Silver Rewards Card, and Business Platinum Rewards Card. Annual fees, APRs, and credit-line terms are stated in the Business Credit Card Terms & Rewards Schedule (RB-CTR-01) and are not restated here.		

These program rules state how the three business credit cards earn, post, and redeem cash back. Rules are printed as carried in the rewards program configuration for this issue. Pricing rows — annual fees, APRs, and credit-line terms — are stated in RB-CTR-01. Business Platinum Rewards Card travel and purchase benefits are stated in the Platinum Benefits & Servicing Guide (RB-CPB-03). Promotional campaign offers and their windows are stated in the dated campaign materials and are not restated here. Companion controlled documents are indexed in section 6.

1. Business Bronze Rewards Card — earning, posting & redemption

Item	Rule
Calculation basis	Business Bronze Rewards Card rewards are calculated on the net transaction amount after any credits or returns.
Posting	The Business Bronze Rewards Card rewards balance updates as purchases post to the account.
Monitoring	Business Bronze Rewards Card earned and available rewards can be monitored in the account dashboard.
Redemption minimum	Business Bronze Rewards Card rewards can be redeemed once the available rewards balance is at least \$37.
Redemption form	Business Bronze Rewards Card redemptions are applied to the account, typically as a statement credit.
Cash-back rate	The Business Bronze Rewards Card cash-back rate is stated in RB-CTR-01.

2. Business Silver Rewards Card — category rates & qualification

Item	Rule
Travel rate	The Business Silver Rewards Card earns 10.0% cash back on eligible travel purchases.
Software rate	The Business Silver Rewards Card earns 10.0% cash back on eligible software purchases.
All other purchases	The Business Silver Rewards Card earns 1.0% cash back on all other purchases.

2.1 CATEGORY QUALIFICATION

- For a Business Silver Rewards Card purchase to qualify for the travel or software 10.0% rate, the merchant must process the transaction under a travel or software-related merchant category.
- For Business Silver Rewards Card online purchases to qualify for the 10.0% rate, the purchase should be billed by the service provider itself or by an authorized platform categorized as travel or software.
- If a Business Silver Rewards Card merchant sells multiple categories of goods or services, the charge must be coded under a qualifying category to receive 10.0%.

3. Business Silver Rewards Card — published exclusion lists

Three of the exclusion lists below are printed in full, as carried in the rewards program configuration for this issue. The hardware/electronics software exclusion list is maintained in the merchant exclusion appendix as amended and is not restated in this issue.

- For the Business Silver Rewards Card, the corporate expense platform merchants Concur, SAP Concur, Expensify, and Navan are travel exclusions that do not earn the 10.0% bonus rate and instead earn the standard 1.0% rate.
- For the Business Silver Rewards Card, hardware/electronics merchant software exclusions earn the standard 1.0% rate rather than the 10.0% bonus rate; the merchants on that list are stated in the merchant exclusion appendix as amended.
- For the Business Silver Rewards Card, the gaming subscription merchants Xbox Game Pass, PlayStation Plus, and Nintendo Switch Online are software exclusions that do not earn the 10.0% bonus rate and instead earn the standard 1.0% rate.
- For the Business Silver Rewards Card, the online learning platform merchants Coursera, Udemy, LinkedIn Learning, Skillshare, and Pluralsight are software exclusions that do not earn the 10.0% bonus rate and instead earn the standard 1.0% rate.

4. Business Silver Rewards Card — best practices

- Use the card for airfare, lodging, car rentals, transit, and other travel booked directly with providers or recognized travel agencies.
- Use the card to pay recurring SaaS subscriptions and cloud-based software billed by software providers.
- Keep receipts and confirmations in case merchant category coding needs review.

5. Business Platinum Rewards Card — category rates & qualification

Item	Rule
Travel rate	Business Platinum Rewards Card travel purchases earn the enhanced category rate when coded to the travel category. The enhanced rate for this issue is stated on the Enhanced-Rate Annex (RB-CRW-02 Annex A) and is not restated in this table.

Software rate	Business Platinum Rewards Card software purchases earn the enhanced category rate when coded to the software category (rate per RB-CRW-02 Annex A).
Media advertising rate	Business Platinum Rewards Card media advertising purchases earn the enhanced category rate when coded to the media advertising category (rate per RB-CRW-02 Annex A).
All other purchases	Business Platinum Rewards Card purchases outside travel, software, and media advertising categories earn 1.5% cash back.

5.1 TYPICAL QUALIFYING TRANSACTIONS

- Typical Business Platinum Rewards Card qualifying travel transactions include airfare, hotels, car rentals, and rideshare when coded to eligible categories.
- Typical Business Platinum Rewards Card qualifying software transactions include SaaS subscriptions and cloud hosting when coded to eligible categories.
- Typical Business Platinum Rewards Card qualifying media advertising transactions include digital ad placements when coded to eligible categories.

5.2 CALCULATION AND CATEGORY CODING

- Business Platinum Rewards Card cash back is calculated on net purchases after returns or credits.
- Business Platinum Rewards Card transactions must be submitted by merchants under eligible category codes to receive the enhanced category rate.

5.3 NON-EARNING TRANSACTIONS

- Business Platinum Rewards Card cash equivalents do not earn cash back.
- Business Platinum Rewards Card balance transfers do not earn cash back.
- Business Platinum Rewards Card fees do not earn cash back.

5.4 BEST PRACTICES

- Confirm that vendors process payments under the appropriate merchant category.
- Keep invoices and receipts for category review if the cardholder believes a purchase should qualify for the enhanced category rate.
