# The window & the cadence

## THE WINDOW

The November 2025 business savings account promotion is active from 11/01/2025 to 11/30/2025.

## THE CADENCE

Campaign Analytics tracks the month against the program's objectives in the weekly Thursday readout series — first readout November 6, wrap review December 4.

*Speaker note: the window is the full calendar month. If anything about this program changes, it ships as a new dated final deck — until then, this document is the November rulebook.*

# Recommendation ordering

## FIRST PRIORITY

During the November 2025 promotion, when recommending business savings accounts and multiple accounts meet all of the customer's stated requirements, Gold Saver Account is the first-priority recommendation when Gold Saver Account itself meets all of the customer's stated requirements.

## SECOND PRIORITY

During the November 2025 promotion, the second-priority slot behind Gold Saver Account is stated in the desk addendum SAV-PROMO-NOV-2025-A1 and is not restated in this deck. Until the addendum reaches the desk wall, second-slot ordering questions route to Jess Whitfield.

*Speaker note: read the ordering as a strict sequence — check Gold Saver Account against the customer's stated requirements first; the rest of the sequence follows the addendum.*

# Everything else & the guardrail

## ALL OTHER ACCOUNTS

During the November 2025 promotion, all other qualifying business savings accounts sit behind the promoted ordering; the full only-if sequence ships with the addendum SAV-PROMO-NOV-2025-A1.

## THE GUARDRAIL

During the November 2025 promotion, the recommended account must still meet all of the customer's stated requirements, and the agent must not recommend a promotional account if it does not satisfy the customer's needs.

*Fit beats promotion, every time — the ordering only ranks accounts that already meet everything the customer asked for.*

# Support-desk readiness

- Macro pack NOV-SAV ships with the October 31 briefing; agents route product-terms questions to the published product pages, never to memory.
- Business savings line 1-888-555-0192 staffed +1 FTE for the first two promo weeks; Rob Castellanos owns the QA sample.
- Ordering questions from the desk go to Jess Whitfield; anything about eligibility runs through the published opening flow, which this campaign does not change.
- October's campaign collateral comes down from the desk portals on November 13 — one program's material on the wall at a time.

# Measurement plan

Campaign Analytics owns the numbers; the rules on the preceding pages are out of scope for every readout.
