

November ordering — workshop wall

Sticky capture from the October 24, 2025 ordering workshop — two orderings on the wall at close.

Facilitator: Jess Whitfield · Scribe: Dana Okafor

In the room: Marcus Bell, Rob Castellanos, Alicia Fontaine

Final call: Priya Raman

Ordering options — the wall

Option A — Gold Saver Account first, Silver Plus Saver second. cleanest fit to the premium goal (Marcus)

• • ○ ○ ○ ○

Option B — Silver Plus Saver first, Gold Saver Account second. rides October's Silver Plus momentum, desk already fluent (Dana)

• • • • ○ ○

Option C — one slot only: Gold Saver Account. simple story, wastes the second banner

PENDING — Priya Raman makes the final call. target: Oct 30 rules deck. NOTHING on this wall ships.

Dot vote is temperature, not the call — Option B led the room and still isn't a decision.

Goal & copy stickies

goal wording: premium +
enhanced-tier adoption — final
phrasing lands in the rules deck

measure adoption, not balances —
openings are the yardstick
(Marcus)

creative line "the account your
accountant would pick" — Alicia
wants a legal read before any
superlative

keep eligibility out of campaign
copy — the published opening flow
owns it (Rob)

Copy ideas go to Dana's creative backlog; none of these lines are approved.
