3. QUICK TIPS

1. Alerts can help keep the daily balance at or above \$500 if the customer wants the monthly fee waived.
2. Using in-network ATMs avoids the 1% out-of-network fee.
3. For paycheck-timing questions, read the posting schedule from the Deposit Timing Addendum (DTA-7).
4. Larger check deposits should be planned ahead if they exceed the \$2,500 daily mobile deposit limit.
