1. OVERVIEW

The Silver Plus Account extends the Silver line with a two-tier interest structure and a larger free-withdrawal allowance. It suits customers who keep more on deposit than a typical Silver holder and want the account to recognize that without moving up to the maintained-balance tiers.

2. OPENING REQUIREMENTS

FIELD	REGISTER VALUE
Minimum opening deposit	\$1,000

The Silver Plus Account minimum opening deposit is \$1,000. To open a Silver Plus Account, fund the new account with at least \$1,000.

3. FEES & MINIMUMS

FIELD	REGISTER VALUE
Ongoing minimum balance	\$2,500

The Silver Plus Account ongoing minimum balance is \$2,500.

4. WITHDRAWALS & TRANSFERS

FIELD	REGISTER VALUE
Free withdrawals per month	15

The Silver Plus Account provides 15 free withdrawals per month. Transactions beyond the 15-free-withdrawal monthly limit may be subject to an excess withdrawal fee per the fee schedule.

5. INTEREST

FIELD	REGISTER VALUE
Interest compounding	daily
Tier 2 balance threshold	per the Silver Plus schedule rows

Published rate reference	Personal Deposit Rate & Fee Schedule (PDR-2025-11)
--------------------------	--

The Silver Plus Account interest compounding is daily. Balances at or above the Tier 2 threshold qualify for Tier 2 interest, and balances below it earn the Tier 1 rate. The Tier 2 threshold and the Tier 1 and Tier 2 rate values are published in the Personal Deposit Rate & Fee Schedule; the profile does not print them.

6. SERVICE & GUIDANCE NOTES

- 1. Keep the balance at or above \$2,500 to meet the ongoing requirement.
- 2. Customers moving up from a Silver Account usually ask about the tier split first; walk the threshold before the rate question comes up.
- 3. Tier questions cluster in the first cycle after opening; the schedule's Silver Plus rows are the fastest answer at the desk.
- 4. Where a customer expects heavy transaction traffic, a checking account is the better working surface — the withdrawal allowance here is generous, not unlimited.
