

Account Opening Profile

Gold Plus Account

Profile ref	A0P-GPL-02	Effective date	2025-11-03
Product name	Gold Plus Account	Register node	products/personal_savings/gold_plus

Exported from the Product Configuration Register. Register fields print as stored; text fields print as entered.

1. OVERVIEW

The Gold Plus Account sits between Gold and the Platinum tiers: a maintained-balance savings product with an automatic investment sweep for balances that outgrow the account. It is the product to reach for when a Gold conversation keeps circling back to what happens to the surplus.

2. OPENING REQUIREMENTS

FIELD	REGISTER VALUE
Opening deposit minimum	\$10,000

The Gold Plus Account opening deposit minimum is \$10,000. To open a Gold Plus Account, fund the account with at least \$10,000 at opening.

3. FEES & MINIMUMS

FIELD	REGISTER VALUE
Minimum balance to maintain	\$25,000

The Gold Plus Account minimum balance to maintain is \$25,000.

4. WITHDRAWALS & TRANSFERS

FIELD	REGISTER VALUE
Monthly withdrawal limit	per the current Gold Plus product supplement
Automatic investment sweep threshold	\$50,000

The Gold Plus Account monthly withdrawal allowance prints on the current Gold Plus product supplement; the Personal Deposit Rate & Fee Schedule's product supplements index names the sheet that is current. The Gold Plus Account automatic investment sweep threshold is \$50,000: when the end-of-day available balance exceeds \$50,000, excess funds may be moved automatically to the linked investment account according to sweep settings.

5. INTEREST

FIELD	REGISTER VALUE
Compounding frequency	daily
Published rate reference	Personal Deposit Rate & Fee Schedule (PDR-2025-11)

The Gold Plus Account interest compounding frequency is daily. Interest accrues daily and keeping funds on deposit helps the customer benefit from compounding. Gold Plus rate values are published in the Personal Deposit Rate & Fee Schedule; this profile prints none.

6. SERVICE & GUIDANCE NOTES

1. Maintain a balance of at least \$25,000 to keep account benefits active.
2. Plan cash flows against the monthly withdrawal allowance; quote it from the current product supplement rather than from memory.
3. Gold Plus service requests route ahead of standard queue traffic; the tier comparison one-pager carries the service-level detail.
4. Sweep questions at the desk are usually threshold questions; the \$50,000 line above answers most of them.

Rho Bank — internal reference. Account Opening Profile AOP-GPL-02 (Gold Plus Account), effective 2025-11-03. Records custodian: Yuki Tanaka, Deposit Products Records.
