Product name	Diamond Elite Savings Account	Register node	products/personal_savings/diamond_elite

Exported from the Product Configuration Register. Register fields print as stored; text fields print as entered.

1. OVERVIEW

The Diamond Elite Savings Account is the top of the personal savings line, held by a small number of customers and serviced through the private-client side of the desk. The register stores an unusually full set of terms for this product — movement limits, settlement timing, and service inclusions all live on the node — and everything stored is reproduced below.

2. OPENING REQUIREMENTS

Opening arrangements for a Diamond Elite Savings Account are coordinated between the deposit desk and the private-client team. The register stores no printed opening minimum for this profile; the desk confirms funding arrangements directly with the customer as part of the opening conversation.

3. FEES & MINIMUMS
