Why upgrade

- Built for larger balances.** Platinum Plus is the newest tier of the personal savings range, designed for customers whose deposit relationship has outgrown the account they opened years ago.
- A relationship, not a queue.** Events, guidance hours, and banker access are part of the account itself, not add-ons to request one by one.

Moving up: ask at the new-accounts desk. Opening terms for the Platinum Plus Account print on AOP-PPL-01.
