Change summary

#	Change	Basis
CHG-1	Add Platinum Plus Account to the product supplements index (PDS-PPL-01, pending publication).	Platinum Plus launch, 2025-10-20. Card-bonus table to be lifted from the launch enablement final deck once Legal signs the supplement.
CHG-2	Editorial: clarify that per-pairing boost percentages remain in product documentation (no change to values or rules).	Recurring desk questions since the November issue.
CHG-3	Typo fixes in section 3 tier table captions.	—
CHG-4	Platinum Plus premium-row adjustment in the launch enablement card-bonus table (Diamond Elite Card row) — value with Legal alongside the PPL supplement review.	Deposit Products query, 2025-11-07.

Redline — section 5, product supplements index

[YT] Holding the reissue until the Platinum Plus supplement clears Legal — see the reissue ticket thread. Until then the launch

enablement final (2025-10-20) is what the desk works from for Platinum Plus card bonuses.

[FQ] Legal: no objection to CHG-2 and CHG-3. PPL supplement review in progress.
