1. Rates and interest

The Green Account savings account pays a variable base APY, published in the Personal Deposit Rate & Fee Schedule (PDR-2025-11), section 4. Interest accrues daily and is credited monthly.

2. EcoCard pairing benefits

An EcoCard that remains eligible, linked to the Green Account savings account, and in good standing has a corresponding credit-card APY bonus of +0.5%. While EcoCard eligibility is maintained, the APY components from the Green Account base rate and EcoCard credit-card bonus are 4.0% plus 0.5%.

Eligible purchases at eco-certified merchants can earn an extra cashback bonus of 2.0% when using an EcoCard.

- To maintain card-bonus eligibility, the eligible card must be kept in good standing and remain linked to the Green Account savings account.
- If the EcoCard or eligible eco card that provides the 0.5% APY bonus and the eco-certified-merchant 2.0% extra cashback is closed or unlinked from the Green Account savings account, that 0.5% APY bonus and that 2.0% extra cashback will not apply.

3. Credit card APY bonuses

Other Rho-Bank credit cards also provide APY bonuses on a Green Account savings account. Bonuses follow the selection rules in the Personal Deposit Rate & Fee Schedule, section 2 (only the highest applicable credit card bonus applies).
