Final · 2025-10-20 · For the deposit desk and branch enablement

WHAT IS LAUNCHING

A premium savings tier above Platinum

Platinum Plus Account opens to eligible personal customers on 2025-10-21. It sits above the Platinum Account in the premium savings lineup, with its own card-bonus table and its own qualifying checking pairings (Purple Account and Dark Green Account – see the schedule's pairing table).

- ▶ **Variable base APY**, displayed as of the current day in online and mobile banking – same rate model as the rest of the lineup.
- ▶ **Card bonuses from day one** – the platform applies them automatically; nothing to enroll.
- ▶ **Servicing** – interest questions follow the standard rate-operations boards; nothing new to learn for corrections.

THE NUMBERS THE DESK WILL QUOTE • 1 OF 3

How the card bonuses apply

Platinum Plus Account credit card APY bonuses are automatically applied when the savings account and eligible Rho-Bank credit card are held under the same customer profile. The next three pages are the complete card-bonus table – the entry Rewards cards first.

RHO-BANK CREDIT CARD	BONUS APY ON PLATINUM PLUS ACCOUNT
Bronze Rewards Card	+0%
Silver Rewards Card	+0%

Selection follows the standard multiple-card rule in the Personal Deposit Rate & Fee Schedule: only the highest applicable card bonus applies.

Premium rewards cards

The upper Rewards line is where the bonuses start moving rates. Quote these from the page, not from memory of the Platinum Account's table – the two products differ.

RHO-BANK CREDIT CARD	BONUS APY ON PLATINUM PLUS ACCOUNT
Gold Rewards Card	+0.1%
Platinum Rewards Card	+0.4%
Diamond Elite Card	+0.6%

Specialty cards

The specialty line closes out the table. Expect EcoCard questions – its bonus differs sharply across the savings lineup, and this is the Platinum Plus row, no other product's.

RHO-BANK CREDIT CARD	BONUS APY ON PLATINUM PLUS ACCOUNT
EcoCard	+0.05%
Green Rewards Card	+0%
Crypto-Cash Back Card	+0.25%

QUALIFYING AND SERVICING

How a customer qualifies

- ▶ To qualify for a Platinum Plus Account credit card APY bonus, the customer must **open or maintain a Platinum Plus Account** and hold the eligible card under the same customer profile.
- ▶ **Checking pairing boosts:** the qualifying pairings live in the schedule's pairing table, and per-pairing percentages live in the product documentation – quote from the documents, not from memory.
- ▶ **Interest complaints:** standard boards. Investigate components first; the discrepancy flow is unchanged.

Enablement Q&A: bring launch-week questions to the Deposit Desk Case Clinic on 2025-10-23 – product will be in the room.
