

RHO BANK

Product Disclosure Sheet — Silver Account (savings)

Supplement ref	PDS-SIL-04	Effective date	2025-11-03
Parent schedule	PDR-2025-11	Custodian	Deposit Products Records (document control)

1. Rates and interest

The Silver Account pays a tiered variable APY based on the daily balance. Tier thresholds and tier rates for the Silver Account are published in the Personal Deposit Rate & Fee Schedule (PDR-2025-11), section 3.

- Interest accrues on the daily balance and is compounded daily.
- Accrued interest is credited to the account monthly, on the statement cycle date.

2. Linking a Rho checking account

Linking to a Rho-Bank checking account gives the Silver APY an additional `linked_checking_apy_bonus`. Qualifying checking pairings are listed in the Personal Deposit Rate & Fee Schedule.

- For ongoing eligibility for linking benefits, both accounts must be kept open and in good standing.
- A customer who maintains multiple Rho-Bank products may also qualify for a relationship bonus of 0.025% that stacks on top of the base Silver APY.
- Unlinking the checking account can remove the `linked_checking_apy_bonus` and may affect eligibility for the 0.025% relationship bonus.

3. Credit card APY bonuses

Holding certain Rho-Bank credit cards provides bonus APY on a Silver Account. Bonuses follow the selection rules in the Personal Deposit Rate & Fee Schedule, section 2 (only the highest applicable credit card bonus applies).

Rho-Bank credit card	Bonus APY on Silver Account
Bronze Rewards Card	+0%
Silver Rewards Card	+0.1%
Gold Rewards Card	+0.5%
EcoCard	+2.2%
Green Rewards Card	+0%
Crypto-Cash Back Card	+0.5%

4. Fees and minimums

Item	Terms
Minimum balance	Maintain at least \$1,000 during a statement cycle to avoid a \$5.00 monthly maintenance fee.
Excess withdrawals	Ten free withdrawals per statement cycle. Each withdrawal above the monthly withdrawal limit incurs a \$2.00 excess withdrawal fee.
ATM fee rebates	A Silver Account can receive up to 15 ATM fee rebates each month.

KEEPING YOUR TIER RATE

Balance alerts can help you keep the balance at or above \$10,000. Avoiding large same-day transfers out can help avoid temporarily moving the balance below \$10,000.

5. Frequently asked questions

Do I need to do anything to receive a credit card bonus?

No. Bonuses are applied automatically for eligible cards held under the same customer profile.

What happens if I close my linked checking account?

Unlinking or closing the checking account can remove the linked_checking_apy_bonus, and may affect relationship bonus eligibility. Your new APY appears in online and mobile banking.

Where do I find today's APY?

Online and mobile banking display the rate as of the current day. Tier rates are published in the Personal Deposit Rate & Fee Schedule.
