1. Rates and interest

The Gold Account pays a variable base APY, published in the Personal Deposit Rate & Fee Schedule (PDR-2025-11), section 4. Interest accrues daily and is credited monthly.

2. Gold Rewards Card holder benefits

For Gold Account holders whose Gold Rewards Card is active and associated with the Gold Account, the standard minimum balance requirement is reduced from \$10,000 to \$5,000. The standard Gold Account minimum balance remains \$10,000, but the \$5,000 override applies as long as the Gold Rewards Card is active and associated with the Gold Account. If the card is active and associated, the required minimum balance to maintain the Gold Account is automatically reduced to \$5,000.

- Gold Account holders whose Gold Rewards Card remains active and associated with the Gold Account receive a 0.025% relationship bonus APY on top of the base 5.5% rate. The relationship bonus applies while the Gold Rewards Card remains active and associated with the Gold Account.
- Gold Rewards Card holders with a Gold Account receive up to \$30 in ATM fee rebates per month.
- Gold Rewards Card holders with a Gold Account are allowed up to 20 withdrawals per month.

3. Credit card APY bonuses

Holding certain Rho-Bank credit cards provides bonus APY on a Gold Account balance. Credit-card APY bonuses are automatically applied when the customer holds both the credit card and the Gold Account under the same customer profile, subject to the multiple-credit-card rule that only the highest applicable credit-card APY bonus is applied and other credit-card bonuses are not added.

Rho-Bank credit card	Bonus APY on Gold Account

To qualify for a Gold Account credit card APY bonus, the customer must open or maintain a Gold Account and hold an eligible Rho-Bank credit card under the same customer profile. When a customer qualifies for one or more bonuses, the applicable credit-card APY bonus is automatically applied to Gold Account earnings; if multiple eligible credit cards are held, only the highest applicable bonus is applied.
