Product Disclosure Sheet — Platinum Account (savings)

Supplement ref	PDS-PLT-03	Effective date	2025-11-03
Parent schedule	PDR-2025-11	Custodian	Deposit Products Records (document control)

1. Rates and interest

The Platinum Account pays a variable base APY, displayed as of the current day in online and mobile banking. Interest accrues daily and is credited monthly.

2. Credit card APY bonuses

Holding certain Rho-Bank credit cards provides bonus APY on a Platinum Account balance. Bonuses follow the selection rules in the Personal Deposit Rate & Fee Schedule, section 2 (only the highest applicable credit card bonus applies).

Rho-Bank credit card	Bonus APY on Platinum Account
Bronze Rewards Card	+0%
Silver Rewards Card	+0%
Gold Rewards Card	+0.15%
Platinum Rewards Card	+0.25%
Diamond Elite Card	+0.35%
EcoCard	+0%
Green Rewards Card	+0%
Crypto-Cash Back Card	+0%

To qualify for a Platinum Account credit card APY bonus, the customer must open or maintain a Platinum Account and hold an eligible Rho-Bank credit card under the same customer profile. When a customer qualifies for one or more bonuses, the applicable credit-card APY bonus is automatically applied to Platinum Account earnings; if multiple eligible credit cards are held, only the highest applicable bonus is applied.

3. Linking a Rho checking account

Qualifying checking pairings for the Platinum Account are listed in the Personal Deposit Rate & Fee Schedule, section 1.1.

4. Frequently asked questions

Why is my EcoCard bonus different from my other account?

Bonus percentages are set per savings product. The Platinum table above is the applicable set for Platinum Account balances.

Do I need to enroll in card bonuses?

No. Eligible bonuses are applied automatically under the same customer profile.
